MICROSTUF ®

DEALER AND OEM INFORMATION

We offer quantity discounts on all of our software. Dealer discounts are given to any computer retail store, systems house, software vendor, or consultant.

Discounts are based on the individual order. Each software item will be counted as one unit and units may be mixed to achieve higher discount brackets.

Terms:

Your first order must be either COD or Prepaid. Upon receipt of a completed credit application, we will verify credit information and extend net 30 terms. We pay shipping on Prepaid orders, you pay shipping on COD and open account orders. There is a 20% restocking charge for returned merchandise.

High-Volume Licensing:

All software is available on long-term, high-volume licensing agreements for hardware OEM's and software distributors. Call or write for details.
